

Lake Mission Viejo Yacht Club

22555 O'Neil Road, Mission Viejo, Ca. 92692

HAPPY NEW YEAR to all you Salts....
Now that the hustle of the holidays
is over we can get down to some
serious sailing.

Speaking of serious sailing, it
couldn't get much more serious than
our first minor regatta in January.
A high wind rose during racing and
six out of ten boats blew over.
Tony Contino, in his C-15, claims
to have only wet his feet. However,
his crew was last seen dragging through
the water at the end of his trapeze.

MEETINGS

Yacht Club meetings will be held the
forth Wednesday of each month in the
meeting room at the Lake. Starting
time is 7:30pm. Short business,
long refreshments, and entertainment
is the order of the day. The first
meeting is scheduled for Feb. 25.
MARK YOUR CALENDER-- BE THERE.....
BRING A NEW MEMBER--or an old one
who is dragging a sea anchor.

POLAR BEAR REGATTA

Sun. Feb. 8th - - Refreshments

PARADE OF LIGHTS

What we lacked in quantity we more
then made up for in quality. Thanks
to those who supported the effort.
We will push for a more favorable
date for next year and expect more
participants. Engraved brass ships
bells were the order of the day.

Recipients were:

Sweepstakes - Marlene Faust

Xmas Theme - The Toedters

Nautical Theme - The Scotts

A special BRAVO to KATHY YEARGIN.

NEW YEAR REGATTA

Despite the fact that no one knew
about it, the first regatta of the
year had about ten crazies entered.
The first race started a drifter
and it looked like the event was headed
for the toilet. Then Hurricane
Camille hit and there were cries of
joy and stark terror. As mentioned
before, 60% of the boats tested the
water temperature. Bill Bosmer's
crew was seen standing in the shallow
water waving Bill to greater effort.
In the Open Class, WILLIE HUGELSHOFER
was 1st, followed by THE McCURDYS.
In the C-15s, BOSMER & CROSS crossed
first followed by the LAKUM DUNKUM
YEARGINS. Oh well....
