Commodore Rich Umble's year at the helm ended with the traditional splash. Maybe they should have left him in the lake, but when they hauled him out he was still smiling.

Thanks, Rich, for a successful year for LMVYC.

You did a great job!

This group got together last Thursday at Cathy's to discuss YC business. The primary topic as the question of raising the dues. Treasurer, Jerry Charlup presented a budget for 1980-81 and it was agreed that we will need to raise the dues to \$15 to cover the increased costs. At the same time we agreed to change our fiscal year to July-June to coincide with our elective calendar. Therefore, we want your money now. Enclosed is a form to send with your money to Jerry. But don't worry, you don't have to pay again until next June.

Don't miss the LABOR DAY REGATTA! This is the last major regatta of the summer. August 31, 1980. We'll all get together for hot dogs and beer after the races. Skippers' meeting at 12:00 race at 1:00.
