## From The Bridge, continued

The holiday season will kick off with the club's Christmas Party and Parade of Lights on December 2, 2023. The lake will be adorned with colorful lights and decorated boats will be paraded through the water. Members are encouraged to attend and share the joy of the holiday season with one another.

On January 7, 2024, the Awards and Installation Dinner will take place. This is a great event that recognizes the outstanding achievements of our members followed by the installation of the 2024 officers. Congratulations in advance to all the award recipients for their sailing prowess and dedication to the Club.

We are looking forward to Opening Day on March 17, 2024. This great event marks the beginning of a new sailing season. Last year we had the Opening Day ceremonies at the Club House, which made for an outstanding and festive event. We plan on using the same venue for 2024 and if you haven't attended an opening day before, this is one event that you shouldn't miss.

## Red Cross Award for LMVYC Junior Sailor Griffyn Pugh S/C Audrey Simenz

You may remember an article in our Main Sheet newsletter last year about the dramatic rescue of a racing member who had fallen out of his boat during a regatta and was in trouble, hanging on to the stern. Junior member Griffyn Pugh, racing a CFJ, with his sister McKenna, saw what had happened and immediately went to his aid by sailing alongside the Expo and leaping aboard to take control of the empty boat in the high wind, leaving the crew, his sister, to sail the CFJ.

The first life guard on the scene commented that he was impressed with Griffyn's sailing knowledge and cool confidence throughout the incident. Griffyn was commended for his quick thinking and rescue effort.

A few weeks ago Red Cross headquarters in Washington DC notified Griffyn that they had awarded him their *Certificate of Extraordinary Personal Action*, for his heroic and selfless rescue. It was awarded to him by a Red Cross representative in Orange County. Congratulations Griffyn, from the officers and members of Lake Mission Viejo Yacht Club.

## Keeping Up With The Twichells

Rod Simenz

Arrival of the Twichells. L to R: S/C Randy Tisdale, S/C Frank Fournier, Jr. S/C Scott Pursell, and Rod Simenz

There are four Twichell 12 sail boats in the club fleet thanks to generous donations from Balboa YC members three years ago. The first LMVYC owners were Frank Fournier, Scott Pursell, Randy Tisdale and myself.

Three of the boats have changed hands. Randy donated his Twichell to the club's junior sailors and more recently Aki Hirota became the new owner of Scott's Twichell. The third boat to change hands was Frank Fournier's "Dark and Stormy". The new owner is Brian Henriquez, who joined our club in May of this year.

The Twichells have proved to be well suited to our lake winds and are competitive in "C" class at our regattas. Fair winds and smooth sailing to Aki and Brian in their "new" boats.

# First Ever Women at the Helm Regatta

Rod Simenz

This was an historic event, the first one that focused on women sailors in 46 years of club regattas. Planning began at the June board meeting where it was decided to feature women skippers at the club's 46<sup>th</sup> Annual Regatta on August 27. To get things started an interest sheet and a flyer were circulated at the June regatta. The interest response for both skippers and crew was excellent. The concept that evolved was to sail the new Capri 14.2 keel boats and CFJs. There were two classes for the Capri 14.2 k, one for experienced skippers and one for novices. Once the list of skippers and crew was finalized there was a lot of practice sailing by the teams during the summer months leading up to the regatta.

On race day things started with a boat selection lottery, then a continental breakfast for skippers, their crew and race committee in the Club Room.

Mike and Ted—Go Aki! Go Mia!

Each skipper was presented with a colorful sailor's cap with appropriate embroidered information to commemorate the event.

There were spectator boats, there were signs painted by Mike Katsuyama to show support for skippers, there even was a large pop up shade structure at East Beach for participants courtesy of Arnold Christensen.

Each team sailed three races. Skipper Vivian Ikeda had a bonus crew of junior sailor Olivia Haufler and Mia Ishikawa had junior sailor Annabelle Xing as extra crew. Both junior sailors were very active handling jib sheets, tacking, and hiking out. The regatta turned out to be very competitive and well sailed in good wind. There were some perfect starts, crowds at most marks and some photo finishes, even a tie score.

A Fleet start. L to R: Lauren Xing & F Roberts, Susan Christensen & Arnold, Cheyenne Stegal & Ted, Daniela Radu & Julius

Congratulation to Lauren Xing and her crew Frank Roberts for their first place in the Capri 14.2 k "A" fleet and Aki Hirota and crew Graham Newman for their win in the Capri 14.2 k "B" fleet. Maycie Pugh and crew Luke Ippolito (1st race) and crew Guy Heaton (2<sup>nd</sup> & 3<sup>rd</sup> race) were first in the CFJ fleet. All the teams are shown on the score sheets along with complete race results. Awards were presented for 1<sup>st</sup> and 2<sup>nd</sup> place, the awards were framed pictures of themselves on the race course during the regatta.

The pictures were taken by club photographer Donna Stegall.

The race committee was short handed due to regular RC members Aki and Mia taking part in the racing. Chris Straus and Frank Fournier filled in for them and PRO Audrey Simenz was then able to conduct a well run regatta.

Hospitality chair, Daniela Radu performed a "hat trick" at this historic event. Somehow she managed to skipper a boat in the

“A” fleet, (even scoring a first in race 3), organize the day’s hospitality crew and prepare the tossed salad and roast chicken dinner that featured homemade blueberry cobbler dessert. What a feast the regatta participants, the spectators and other club members and guests enjoyed as they rehashed the finer points of sail trim, mark rounding rules, race tactics and strategies of the day. Much deserved thanks to Daniela and her crew of Vicki and Emmet Rixford, Scott Pursell and Alison Brooks, Louise Gallagher, and Kim and John Pugh. John, BTW brought trays of wings and veggies from Wings Stop for everyone to snack on before dinner.

Susan using her crew

This first ever “Women at the Helm” regatta was a sort of trial event and the feedback is that this was a lot of fun, heck yes let’s have the second annual in 2024. The club officers agree, so check your calendar, save the date and hope to see you there.

## Octoberfest and the Fall Regatta

We look forward to the Fall Regatta and the Oktoberfest event that follows every year. This is one of the most fun events of the season. 2023 happenings were as successful as one would expect.

Many thanks are due to Graham and Jane Newman for chairing the post regatta Oktoberfest. They inherited this role from beloved hosts Horst and Cecelia Weiler. Oom pah pah, chicken dances, and German sausages were trademarks once again.

## Turkey Regatta

S/C Frank Roberts

This year was a good one. Record number of members, full events, and fun had by all. So we expected our last regatta of the year, the Turkey Regatta, to be a special one. It did not disappoint.

Regatta mornings are always interesting in that they are the start of a fun day. It starts with ice chests being prepared, boats being launched, marks being set and sailors signing in. It is a nice ritual that promises a good day on the water.

The morning was routine and all went smoothly. R/C conducted a skipper's meeting where we received our sailing instructions and course charts for the day. New sailors Mike Katsuyama and Jon Montgomery were welcomed by Commodore Ross Nemeroff.

The skippers left the dock and headed out for a day of sailing. The first race started A fleet into a light breeze. When

B Fleet maneuvering. Note the water.

A Fleet headed to the pin

it came time for B fleet, the wind stopped and boats drifted. A fleet race was shortened and B fleet waited for the wind to start. After that the wind filled in and we got our three races in. Winners were S/C Guy Heaton in A fleet, Jeff Buchman in B Fleet and David Collins in C fleet.

After the race we held our Annual Meeting where the financial state of the club is given by S/C and Treasurer Arnold Christensen. After that, Commodore Ross Nemeroff gave a summary of the year, told us about upcoming events and asked new members to stand and be acknowledged. Bylaw changes were voted in and then the big moment, a vote for the new slate of officers. This passed by acclamation and the new officers were welcomed.

Incoming Commodore Elect Vicki Rixford gave a short speech thanking the members and promising a great 2024 under her guidance. No doubt we have elected a fantastic slate of officers.

Vice Commodore Vicki

Special thanks to Secretary Elect Jon Montgomery for stepping up to fill a vital role. His talents will greatly benefit our club. And congratulations to the entire slate.

After the business meeting, we were treated to a fantastic dinner of ham, turkey, dressing, salad and a scrumptious mac and cheese dish. Dessert followed the dinner and members seemed to have a really good time. Thanks to S/C Theresa Buchman and her husband Jeff for once again exceeding expectation with this wonderful dinner.
