VOLUME 1

JANUARY/FEBRUARY 2002

Midwinter Regatta

Lake Mission Viejo is a venue for the 73rd Annual Southern California Yachting Association Midwinter Regatta. This is the largest sailing event of its kind in North America. Racing will take place on February 16 and 17 at all the harbors from Santa Barbara to San Diego as well as Lake Mission Viejo, Westlake and Lake Havasu. This is Lake Mission Viejo Yacht Club's first time putting on this event and we will host the C-15 fleet and a Portsmouth handicap class.

Our club did a great job hosting the Invitational Regatta last November. Let's work to make the Midwinter regatta just as successful. For starters all of our C-15 sailors should plan to enter their boats. All the rest of our racers should try their hand in the open class, which will use the Portsmouth system to make it possible for just about any well-sailed dinghy to win one of the prestigious SCYA trophies. Don Schaffner will be the Principal Race Officer (PRO) for the regatta and with a two day race and the need to record elapsed times and compute handicap corrected times I'm sure he will welcome help on the race committee, so give him a call soon.

NEW OFFICERS INSTALLED

Our new officers were voted in by unanimous acclamation at the general meeting last November and were installed with due ceremony at a gala Installation Dinner at Dana Point Yacht Club on January 20, 2002.

Outgoing Commodore Frank Fournier passed the helm to incoming Commodore Arnold Christensen with words of congratulation and promises of support. Commodore Christensen then introduced his Officers and Board to much applause from the members.
