LMVYC FALL 1990 NEWSLETTER

14TH ANNUAL LAKE MISSION VIEJO REGATTA:

With the weather condition bringing clear skies and lots of windshifts, the competition was great even so it drove some of the helmsmen crazy.

Considering the windshifts and wind velocity changes, only a single incident was registered. Harts Hobbs in a Holder 12 and Milly Thomas with crew Chris Davies in a Holder 14 lost control and went for a swim in the lake none-swimming area.

Welcome to dinghy sailing!

We had a great turnout even so we missed some of the regular sailors.

Thanks to Tony Contino who single-handedly played "God" on the race committee boat. Perhaps next season we can get some help for the race committee.

There were a lot of smiling faces and at the pizza social and award presentation after the regatta in the club house. It was truly a day everyone hated to see end.
